**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Local broadband is the American way!

I need to support my local company who give me excellent service and employ local community members. I was never happy with the big bundle companies and I am very happy with LMI. Please do not restrict my ability to choose a broadband company. Please allow the opportunity for small companies to compete.
